General Services ONE Social Apps Real Time Value Network (RTVN)

Real Time Value Network (RTVN)

RTVN offers several services like Intelligent Supply and Intelligent Demand. These services provide the full end-to-end supply chain functional suite of features including Forecasting, Inventory Planning, Replenishment, Order Management, ASN, Inventory Management and Warehouse Management. It also provides the ability to integrate with EDI Suppliers for supplier collaboration activities. Master Data can be managed thru admin UI or integration.

I am a Customer (will be placing orders)

I am a Supplier (will be receiving orders)

I am a Carrier (will be transporting orders)

I have read and agree to The Terms of Use and the Financial Term

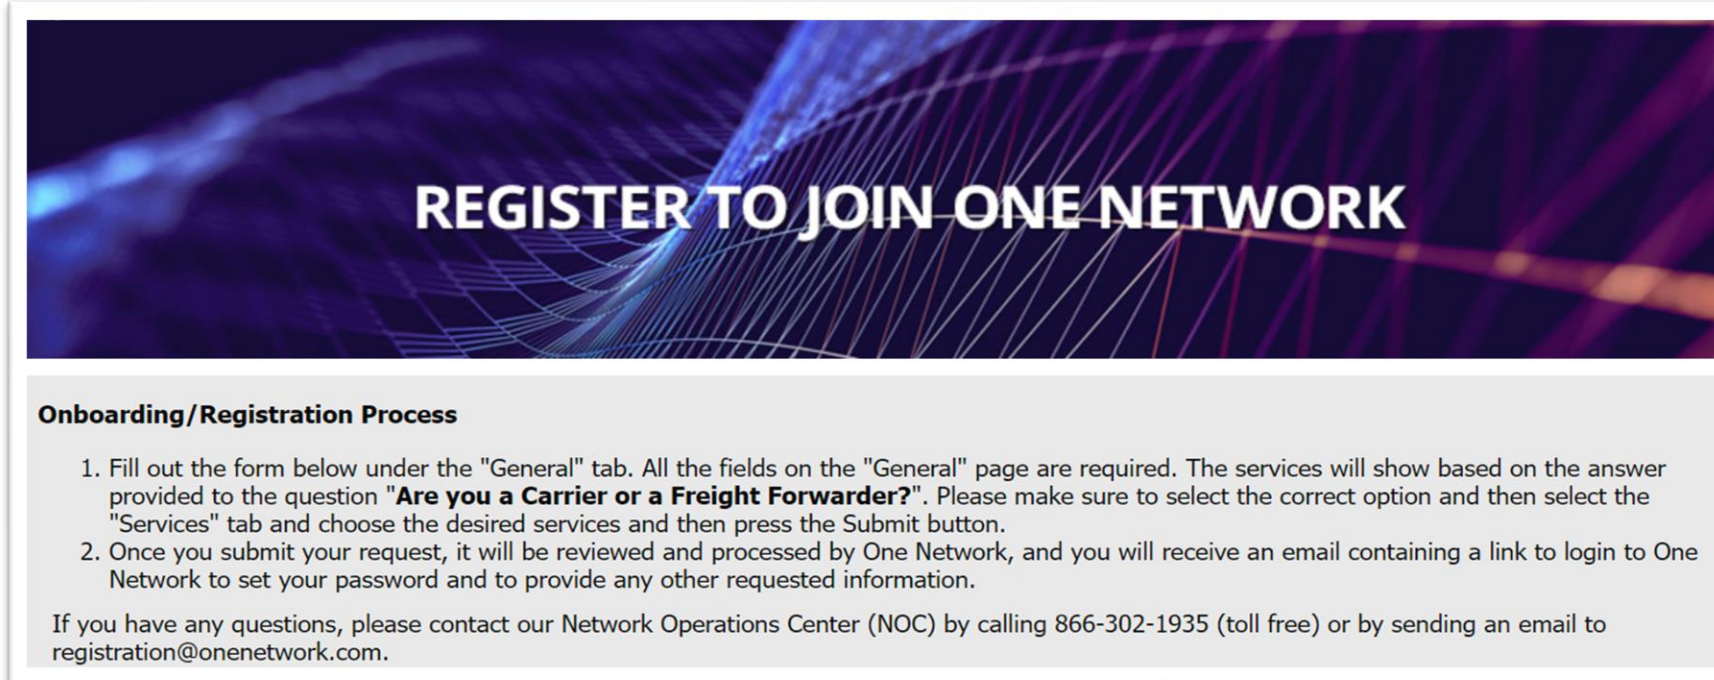

Accepted by: Jane Doe

You will receive service activation email once Real Time Value Network (RTVN) Service is activated. Please follow email instructions and start using the service.

Submit

Onboarding/Registration Request Submitted Successfully

1. After a **Successful** request submission, the following page appears.
2. ONE Network's Network Operations Center (**NOC**) team review the request and follow the required steps to proceed to the next level of **USER** activation.

REGISTER TO JOIN ONE NETWORK

Onboarding/Registration Process

1. Fill out the form below under the "General" tab. All the fields on the "General" page are required. The services will show based on the answer provided to the question "**Are you a Carrier or a Freight Forwarder?**". Please make sure to select the correct option and then select the "Services" tab and choose the desired services and then press the Submit button.
2. Once you submit your request, it will be reviewed and processed by One Network, and you will receive an email containing a link to login to One Network to set your password and to provide any other requested information.

If you have any questions, please contact our Network Operations Center (NOC) by calling 866-302-1935 (toll free) or by sending an email to registration@onenetwork.com.

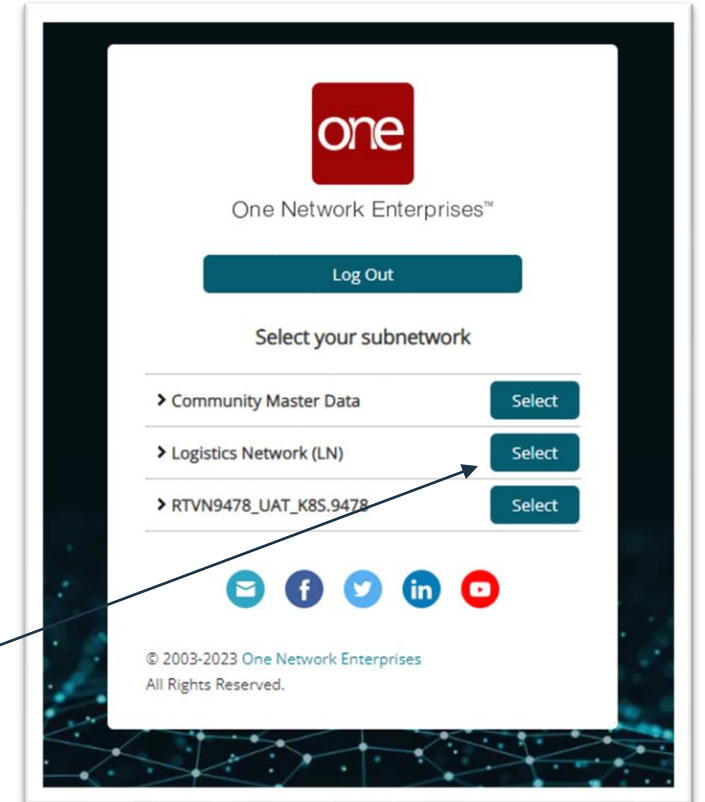

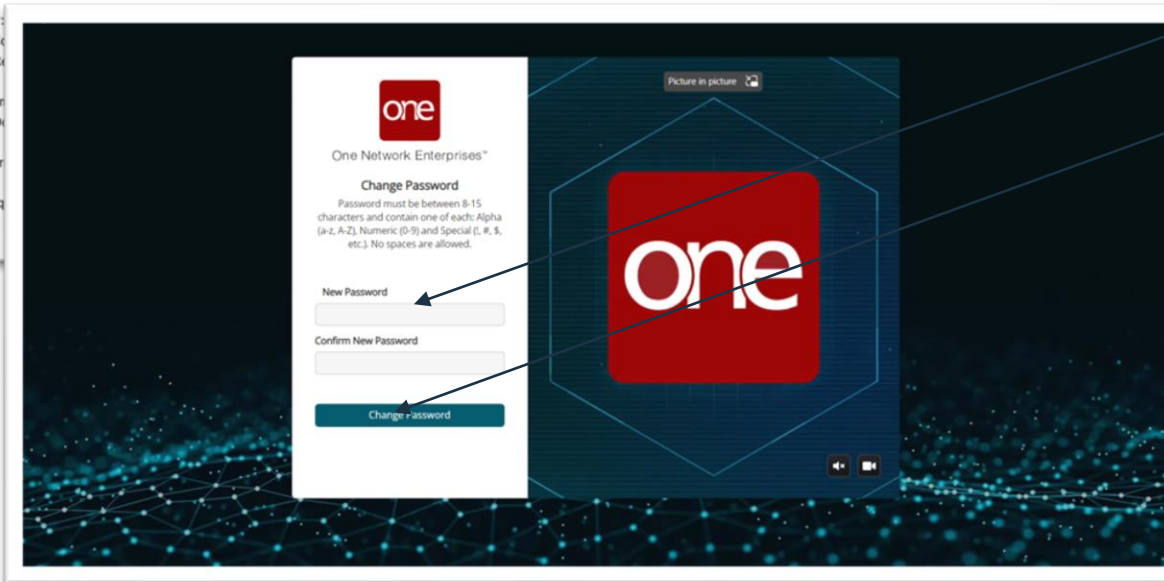

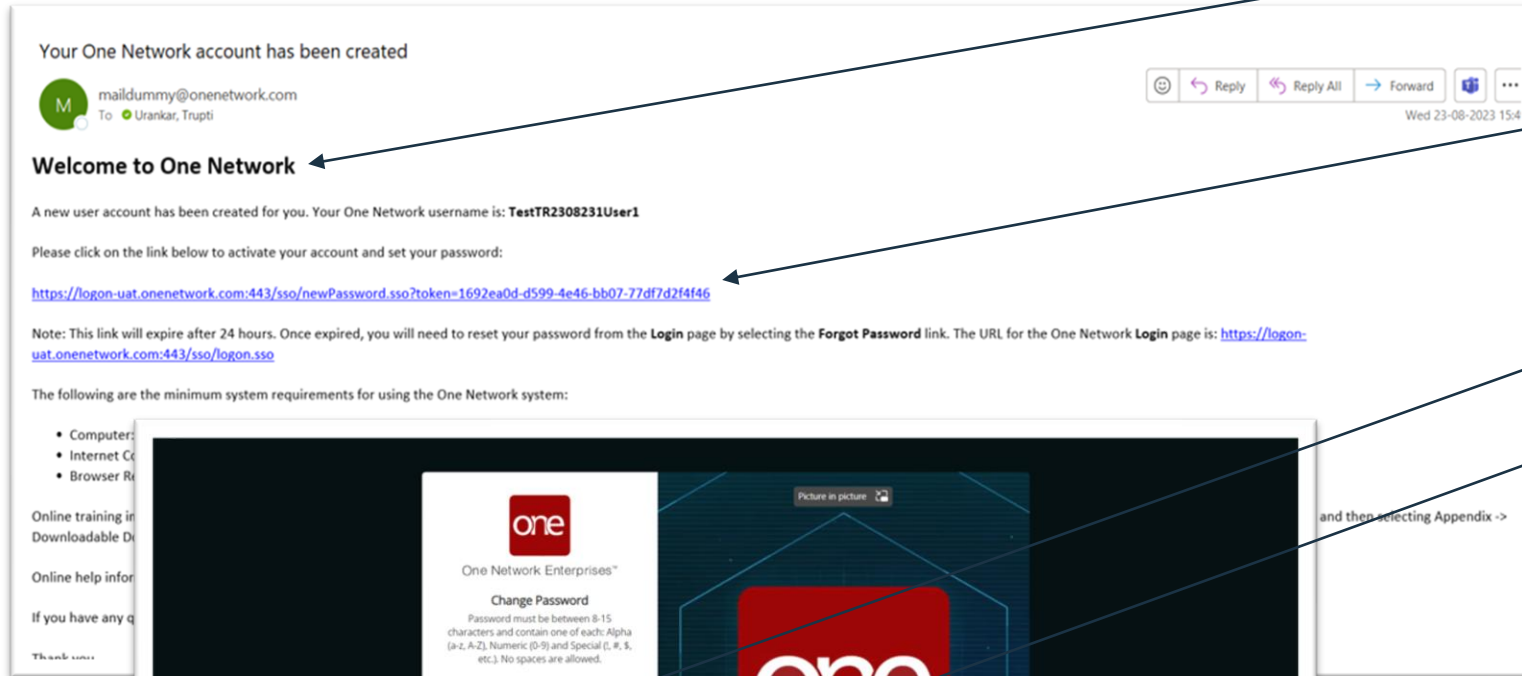

- After submitting your onboarding information, One Network's Network Operations Center (NOC) will **receive** and **review** your information.
- Once the NOC **approves** the onboard request, you will receive an **email** with your **username** and an **activation link** to activate your account and **set** your **password**.

Note: this email will be sent to the email address that was entered on the **Onboarding** screen under the **Administrator Information** section. The **From** on the email will be help@onenetwork.com and the **Subject** of the email will be **Your One Network account has been created**.

Account Activation Email Received By USER

1. Once NOC approves the request, **USER** receives another email to **reset** the **Password**.
2. Click on the following link to **Reset Password**.
3. Enter and **Confirm Password**.
4. Click on **Change Password**.
5. Select **Sub Network**, USER will be redirected to the Onboarding page (Next Slide)

Onboarding for Joining ONE NETWORK

1. Onboarding Page Opens for the USER.
2. Select **Type of Company**
3. Select **Partnering With**
4. Accept the **Terms and Agreements**
5. Provide **Billing Contact Details**
6. Finally click on **Save** button

1

ONBOARDING PAGE FOR JOINING ONE NETWORK

Please fill in the information below and then press Save.
Note - required fields are marked with an asterisk symbol.

Once done, this will complete the One Network onboarding process. You will then be able to access the One Network application.

Please note - the Shippers you are working with will be notified by One Network to create a partnership with your company which will then allow you to access their shipments. This may take up to 1 business day once the Shipper has been notified.

If you have any questions, please contact our Network Operations Center using one of the methods below:

- 888-302-1935 (toll free)
- 972-455-3505
- help@onenetwork.com

2

Type Of Company:

Terms of Use

Please read and agree to the Terms of Use.

One Network Member Agreement

The following describes the terms on which One Network offers you access to our services on the One Network system maintained under the domain and sub-domains of www.onenetwork.com. You must read, agree with and accept all the terms and conditions contained in this Agreement, which include those terms and conditions expressly set out below and those incorporated by reference, before you may become a member of the One Network system. This agreement may not be amended unless you and One Network agree to such amendment.

1. **Membership Eligibility.** Our services are available only to entities that can form legally binding contracts under applicable law. You represent that you have the authority to bind your entity to this agreement.

2. **License.** In consideration of your agreement to the terms and conditions contained in this Agreement and your payment of all fees...

Financial Terms:

Please read and agree to the Financial Terms if you were provided with a Financial Terms Code, enter it in the text box and then press the "Load Financial Terms" link to view your specific Financial Terms.

Financial Terms Code: [Load Financial Terms](#)

Supplier and Financial Terms Addendum ("Member Addendum")

This Addendum forms part of the Member Agreement. In the event of any conflict between the terms and provisions of this Addendum and those of the Member Agreement or any amendment to the Member Agreement, the terms of this Addendum shall control unless expressly set forth otherwise in an alternative arrangement.

Onboarding Completed in ONE NETWORK

1. After successfully saving the request following message appears in the screen.
2. Click on **Continue to Homepage**, ONE Neo Dashboard will appear in the screen.

1

A green notification banner at the top of the page reads: "You have been successfully onboarded. [Continue to Homepage](#)". Below the banner, the page is titled "ONBOARDING PAGE FOR JOINING ONE NETWORK". The page contains the following text: "Please fill in the information below and then press Save. Note - required fields are marked with an asterisk symbol. Once done, this will complete the One Network onboarding process. You will then be able to access the One Network application. Please note - the Shippers you are working with will be notified by One Network to create a partnership with your company which will then allow you to access their shipments. This may take up to 1 business day once the Shipper has been notified. If you have any questions, please contact our Network Operations Center using one of the methods below:"

- 972-455-3505
- help@onenetwork.com

2

The screenshot shows the ONE Neo Dashboard. The top navigation bar includes the ONE logo, a search bar, and user information for "Albertsons NOC Test User". The dashboard is divided into several sections:

- Alert Summary:** Shows a "Movement" alert with a red circle and the number "2". Below it, a table lists "ADME Grady LA" with a count of 1 and "Zero Cost Deliver" with a count of 1. An "Export to CSV" button is present.
- Problem Summary:** Contains three circular gauges: "Capacity Violation" (7), "No Carriers Found" (1), and "Shipment Delays" (7). Each gauge has a "View States" link and an "Export to CSV" button.
- Shipment State Summary:** A horizontal bar chart showing the distribution of shipment states: Awaiting, Tendered, Confirmed, Pick Ready, In-Transit, Delivered, and Multi Modal. The x-axis represents the count, ranging from 0 to 3250. A legend indicates "Count", "Blocked", and "Non Blocked". An "Export to CSV" button is at the bottom.
- Late Delivery Scorecard:** Compares performance for "101 Transport Inc." and "A & C Transport LLC". For "101 Transport Inc.", the score for August is 0 (up arrow). For "A & C Transport LLC", the score for August is 42 (down arrow). A line chart shows scores for APR (106), MAY (111), JUN (74), JUL (79), and AUG (42). "Scorecard details" links are provided for each.
